Package Add-ons

Digital copies of your package poses with copyrights - \$150

Double your package poses for just - \$45

Facebook proofs of package poses (watermarked) - \$15

Signatures on all wallets are included at no charge

You can add \$10.00 to the above package price for each composite design that you would like included in your package. Additional touch-up fees may be required if you would like your composite images touched-up as well as other package poses.

If you do not require any touch-up services, simply build your own custom package with ala carte prices shown to the right.

The Basic touch-up service provided in the above packages will cover one item per pose such as blemishes or shine. If more than one service is required or more intensive work needs to be done you will be given a quote for the service prior to the printing of your order.

All orders need to be paid in full at the time the order is placed and may take 4 to 5 weeks during busy periods or if touch-up is required.
